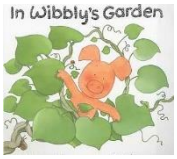
Friday 6th June

Theme: In the Garden

This term we will be exploring the Great Outdoors! This week we began in the garden. We remembered in a garden we can grow flowers, vegetables and fruits. We discussed how we use soil, water, sunlight and many different types of seeds to grow plants in the garden. Some of us even shared stories about bugs in the garden! In our story 'In Wibbly's Garden' a beanstalk grew and a giant came, just like in Jack and the beanstalk!



Key vocabulary:
Garden, seed, plants, flowers, soil, vegetables, fruits, shovel, spade.

This week we focused on the phoneme 'f'. We used the alliteration 'Florence the fabulous fox'. We listened and blended many words such as 'fox', 'fold', and 'feet'. We practiced forming the grapheme 'f' by saying 'Over the ear, down the tail and cross the jaw'. We then discussed where foxes live, and some of us have even seen them!

In Maths we explored making patterns together. We began using small pieces of fabric to create movement patterns. We waved the fabric creating circles, waves, straight and curvy lines as well as zig zags. We then focused on creating pattern arrangements and labelling them 'AB patterns. We could see two objects were repeated over and over again. First, we copied the pattern in front of us, and then we had the opportunity to make our own!

Key vocabulary:
Pattern, repeat, AB pattern,

What will come next in your pattern?
