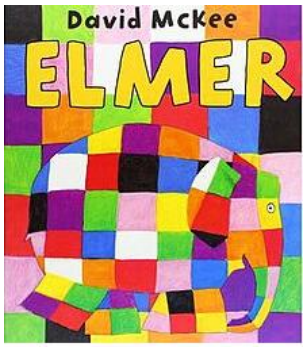
Nursery Newsletter

Friday 24th October

My Feelings and Colours

This week we continued to read 'The Colour Monster' and discussed more emotions we may feel at different times. We shared how we might feel sad if someone takes a toy from us, or happy when we are being picked up by Mum or Dad! We used colours, representations and images of emotions to sort the feelings of sad, angry, happy or calm.



This week we read the story 'Elmer', exploring many different colours and how being different can make us unique! While reading Elmer, we focused on the keywords 'same' and 'different'. We could see the grey elephants were the same and Elmer was different because of all his colours.

Rhyme of the week

If you're wearing the colour… and you know it

Using the tune 'If you are happy and you know it', place a colour you are wearing and add an action!

Notices:

- We would like to thank you for a wonderful start to the school year! It has been lovely becoming familiar with your children and we are looking forward to a new half term together! We will see you Monday 3rd November.

We would love to create a sense of belonging within the classroom and would like to display a photo of your family for your child to look at during their time at Nursery. If you are able to submit a family picture that would be greatly appreciated.

Dates for your diary:

- Please see the School Newsletter for the upcoming Reception open days at Marlborough Primary School.
- October Half Term (Monday 27th October – Friday 31st October)

What you can do at home:

- Play! Play! And play some more! Provide opportunities to join your child in play. Watch your child play and wait for their invitation to follow their lead.
- Talk! Talk! And more talk! Over the half term can you look and see what colours surround you in your environment?
- When reading a story, encourage children to join in with any repeated phrases. Can they add sound using body percussion? (Clapping hands, clapping knees, stomping feet)
